Dear Dog Owner,

May I firstly take this opportunity to thank you for your interest in Pawpounders. We are a doggy day care centre that opened in October 2008. We have 4.5 acres of land, of which 3 acres are made up of two fields and a wood chipped area, all of which are securely fenced. We also have a natural heathland area making up the rest of the site where dogs are taken on lead walks.

We are open on the following days/hours:

Monday	7:30am - 6:30pm
Tuesday	7:30am - 5:30pm including new dog introductions
Wednesday	7:30am - 6:30pm
Thursday	7:30am - 5:30pm including new dog introductions
Friday	7:30am - 6:30pm
Saturday	8:30am - 2:00pm including new dog introductions, training & agility lessons
Sunday	Closed

Our fully qualified and insured staff will exercise, play with and undertake basic training with your dog letting them be outside in acres of securely fenced land most of the day. We also have an insulated, heated barn area with dog beds and crates for dogs that need a rest or when the weather takes a turn for the worse.

We also have partnerships with a dog groomer and a dog trainer of which details can be provided on request. We have also entered into partnership with the RSPCA. Through our sponsorship, Pawpounders appears in their literature and is recommended as a service to new dog owners who may need assistance with the care of their dog during the day.

This is a brief introduction pack to give you an understanding of the service we provide and the costs applicable. We would also welcome you to have a look at our website for further information, photos and videos.

I look forward to meeting you and your dog in due course.

Yours faithfully,

Nick Parkinson
